Circular 2020/2021 No.044

9th November, 2020

Dear Parents/ Guardians,

Questionnaire on the Health of Hong Kong Adolescents

To enhance students' capability to overcome adversities and provide early intervention, our school has joined the "Respect Life, Overcome Adversities" project. In this project, students are invited to fill in a questionnaire which is designed by Centre for Health Behaviours Research of the Division of Health Improvement of the Chinese University of Hong Kong. The questionnaire will be related to students' capability to overcome adversities and well-being. It will be carried out in a professional and scientific manner. The details of the questionnaire collection are as follow:

Date: 11th December, 2020 (Friday)
Time: Assembly period
Venue: School classroom

All the information collected is strictly confidential and will not be disclosed. It is hoped that parents will encourage their children to join the questionnaire as we believe that it will help to explore the Hong Kong adolescents' health. School will explain the nature of the questionnaire to students, they can decide whether to participate the questionnaire or not.

Please sign the Reply Slip below and return it to the class teacher before 16th November, 2020. Should you have any enquiries, please contact Mr. Mui Tak Man, the Assistant Principal, or Ms. Tse Ning at 2109 4000.

Yours faithfully,

Mr. Law Wai Man
Principal
