26<sup>th</sup> March, 2021

Dear Parents/Guardians,

**Re: E Wun Parent Education Online Course:  
Parent-Child Relationship during the Pandemic**

The pandemic has lasted for more than a year. In the new normal life, families are prone to conflicts or interpersonal problems, which may affect parent-child relationships.

In view of this, the School has invited Dr. Paul YAO from Quality Mentorship Network to produce the captioned course to provide guidance on parenting and prepare parents for face-to-face parent education courses in future.

To watch the videos of the course, parents can log into the following link:

For enquiries, please contact the social workers, Ms. Chen and Ms. Che, or the Head of Counseling Committee, Mr. Lam Siu Ting, on 2109 4000.

We wish your families well and have a happy Easter!

Yours sincerely,

---

Mr. Law Wai Man
