Circular 2020/2021 No.081

26th March, 2021

Dear Parents/ Guardians,

S.5 Supplementary Lessons Arrangement on Easter Holidays

To help students prepare for the HKDSE Examination, our school will arrange supplementary lessons in Easter holidays for S.5 students. Please refer to the Appendix on the back page for details.

All supplementary lessons are treated as normal lessons, so every student should attend them on time. Any absence from school without the school approval may be regarded as truancy. If any student is not able to attend the lessons, parents should submit a letter of leave of absence according to school requirements. When a typhoon signal No.8 is hoisted or a Red or Black Rainstorm Warning is issued or the suspension of school is announced by the Education Bureau at 5:30am-8:00am, the supplementary lesson will be cancelled.

Please sign the Reply Slip on the eClass Parent App before 30th March, 2021. Should you have any inquiries, please contact the subject teachers at 2109 4000.

Yours faithfully,

Mr. Law Wai Man
Principal
