Circular 2020/2021 No.111

16th June, 2021

Dear Parents/Guardians,

**Re: COVID-19 Vaccination Programme -
Vaccination Arrangement for Primary and Secondary School Students**

Whole-school resumption of half-day face-to-face class arrangements for all primary and secondary schools in Hong Kong took effect from 24 May 2021. While wearing a mask and maintaining social distancing can help reduce the chances of getting infected with COVID-19 or spreading the virus to others, it is vaccination that can provide more effective protection. The vaccine will work synergistically with the human immune system to prepare it to fight the virus if we are exposed to it. This will provide the best protection for us as well as our family members and friends against COVID-19.

Comirnaty COVID-19 mRNA vaccine (“Comirnaty vaccine”) is a vaccine used for preventing COVID-19 caused by SARS-CoV-2 virus. Having regard to the advice of the Advisory Panel on COVID-19 Vaccines, the Secretary for Food and Health on 3 June 2021 approved the lowering of the age limit for receiving the Comirnaty vaccine to age 12. This vaccine is given in two doses recommended to be 21 days apart for completing the vaccination course. Comirnaty vaccine should be administered 14 days before or after another prophylactic vaccine. To safeguard the health of primary and secondary school students, the Government of the Hong Kong Special Administrative Region has, from 14 June 2021, included adolescents aged 12 years or above into the COVID-19 Vaccination Programme.

Our school has made the initial arrangement for students. **We will arrange for teachers to accompany your child to the Tung Chung Community Hall (39 Man Tung Road, Tung Chung) to receive the first dose of vaccine on the morning of July 5, 2021. Parents/guardians should bring their children to the Tung Chung Community Hall (39 Man Tung Road, Tung Chung) for the second dose of vaccine on the morning of July 26, 2021.**

Parents/guardians may also make their own booking through COVID-19 Vaccination Programme website (<https://booking.covidvaccine.gov.hk>) directly for their children to receive the vaccinations. Persons aged under 18 must bring along the “Consent Form for COVID-19 Vaccination” completed by their parents/guardians to Community Vaccination Centers (CVC) for vaccination. Please refer the Appendix 1 ‘the fact sheet on Comirnaty COVID-19 mRNA Vaccine’ or visit the website <https://www.covidvaccine.gov.hk> for more information about the Programme.

For parents/guardians and students who want to register the Electronic Health Record Sharing System (eHealth) so that they and the healthcare providers who take care of their child/ward may have access to their COVID-19 vaccination records, please register with the eHealth. For details, please refer to the Annex 2 ‘eHealth leaflet’. If your child below age 16 would like to register with eHealth, please bring along the following documents on the day he/she receives the vaccine for information verification purposes:

- Consent form for COVID-19 Vaccination
- The printout of eHealth Online Submission Confirmation (the information of parents/guardians on the printout should tally with that of Consent form)
- Original identity documents of your child

Please sign the Reply Slip on the eClass Parent App before 21st June, 2021. If parents agree that their children will join the programme, the ‘Consent form for COVID-19 Vaccination’ will be issued later. Should you have any enquiries, please contact Mr. Tsoi Wun Kit, or class teachers, at 2109 4000.

Yours sincerely,

Mr. Law Wai Man
Principal
